

BREAKING THE SILENCE

A publication of The Children's Assessment Center, a safe place serving Harris County's sexually abused children.

The mission of The Children's Assessment Center is to provide a professional, compassionate and coordinated approach to the treatment of sexually abused children and their families and to serve as an advocate for all children in our community.

2008 Shootout 4 Children And Child Safety Fair Sponsored by Stanford Financial Group

In recognition of Child Abuse Prevention Month, The Children's Assessment Center hosted the 2008 Shootout 4 Children and Child Safety Fair. This program was a new endeavor for The CAC. The goal was to reach the Harris County community in a different way, and in the process educate parents on child abuse so they are more informed on the signs and symptoms of child abuse, how to keep children safe, and how to prevent future abuse from occurring. Thanks to generous community support from The Stanford Financial Group, Memorial Hermann / HBU Wellness Center, University of Houston's Chapter of Zeta Tau Alpha Sorority, and local agencies committed to protecting children, the event was free and open to all community members. Every child and parent attending the fair was provided with useful child safety information. Children from the ages of 6-17 were registered in the basketball shootout contest after they attended the fair and learned valuable safety information. Not only did the children participants enjoy the day, so did all of the community volunteers.

There was even a visit from Clutch, The Houston Rocket's Mascot! It was a wonderful day, and again

The CAC is here to serve as an advocate for ALL children in our community.

Hello Everyone,

The CAC is excited to announce a new child abuse awareness campaign that will be launched on October 7, 2008.

This fall, corporations, foundations, nonprofits, government agencies, celebrities and caring adults around the country will join together to launch Hope Shining, a national movement to increase awareness, prevention and support services to empower children, families and communities impacted by violence and abuse.

The CAC is proud to partner with Safe Horizon, the nation's leading victims services organization, on the launch of this nationwide campaign. With the support of Proud National Sponsor Capital One and Hope Shining Alliance Network members across the country, Hope Shining launch events are planned throughout the fall.

The Hope Shining Alliance Network is a strategic coalition of local and national organizations working together to increase the impact of the Hope Shining movement at the grassroots level. Through public awareness, direct social services and volunteer initiatives, the Hope Shining Alliance Network engages supporters throughout the country in working to address the impacts of violence and abuse on children. This collaboration of organizations will extend the reach of valuable information and education to help protect, support and save the lives of children nationwide.

Join CAC Houston as we launch Hope Shining on October 7, 2008! We look forward to an enlightening and exciting day as we host several events, shining the light on awareness and prevention so that all of us together, can create a unified effort in the fight against child abuse in America. We look forward to seeing you.

Take care and have a Hope Shining Day!

Crime Stoppers joins forces with The CAC during April, Child Abuse Prevention Month

On April 4, 2008, Crime Stoppers of Houston hosted a press conference, kicking off an aggressive campaign aimed at making Harris County a safer place for children. For the second consecutive year, this initiative focused on locating wanted felons who have committed crimes against children and have failed to meet their probationary requirements. Because of the wonderful success of this campaign in 2007 numerous felons were apprehended making Harris County a safer place for our children.

In support of this initiative, United States Congressman Ted Poe, United States Marshal Ruben Monzon, Elaine Stolte of The Children's Assessment Center, and Katherine Cabaniss of Crime Stoppers attended and spoke to the importance of the community coming together in a collaborative manner when addressing the issue of child abuse.

A Bit of CAC History...

The Children's Assessment Center's Humanitarian Awards Program was chartered in 2004 in honor of Susan Penn French and Carroll R. Ray. The existence of The Children's Assessment Center is due, in large part to the dedication, support and passion demonstrated by Susan and Carroll for child victims of sexual abuse. Their tireless efforts helped raise millions of dollars to bring forth the dream of a facility devoted to providing unparalleled service to young victims and their families while cherishing all children unconditionally. We honor their legacy and commitment through the presentation of the Annual "Cherish the Child Humanitarian Award". Past and present Humanitarian Awards recipients include:

5TH Annual CHERISH THE CHILD AWARDS RECEPTION

On Wednesday, April 16, 2008, The Children's Assessment Center's Foundation Board of Directors honored three new Humanitarian Award Recipients: Crime Stoppers of Houston, William S Moss III, and Spindletop Charities, Inc. The evening presentation was well received with over 100 enthusiastic supporters, friends and donors in attendance. Special thanks to our generous event sponsors Chef Polo Becerra of Polo's Signature and the Post Oak Grill Restaurants, Jándó, Patsy Rhymes and Snap 2.

Spindletop Charities has generously supported The Children's Assessment Center for over 10 years. Spindletop funded the Forensic Interviewing Division's equipment when the building opened in 1998 and in 2006 provided funding for the "Serving Children with Enhanced Technology Project" which converted Forensic Interviewing's antiquated analog recording system to a state-of-the-art, digital web-based system. Most recently Spindletop completed their "Circle of Care" with a generous gift to fund the Medical Clinic Digital Conversion. The combination of both digital conversions has tremendously enhanced The CAC's staff and partner agencies' ability to provide services which aides in the investigation and treatment of sexual abuse cases.

William S. Moss III is a dedicated and committed professional that, as a partner with Mayer Brown Law Firm, has provided pro-bono legal services for the CAC Foundation Board for nearly ten years. A true leader in his field, Bill has devoted countless hours to The CAC on matters related to the Public/Private Partnership with Harris County and

many other subjects. At The Children's Assessment Center, we greatly appreciate his continued support for abused children and his leadership and guidance in managing our Public/Private Partnership.

Crime Stoppers of Houston, Inc. is a community-based organization dedicated to solving and preventing serious crime in partnership with citizens, media, law enforcement, and the criminal justice system in the greater Houston area. The Children's Assessment Center is honored to be in partnership with Crime Stoppers of Houston and their tremendous initiatives focused on protecting our children from felons who victimize children. By targeting, locating and arresting these predators, Crime Stoppers takes them out of our neighborhoods. As a result, children are safer where they live, work and learn.

We salute Spindletop Charities, Bill Moss, and Crime Stoppers of Houston for their generosity, kindness and commitment to our children and our community and we are truly grateful to all the volunteers and supporters of The Children's Assessment Center...you make what we do possible!

9th Annual Spirit of Spring

On April 3, 2008, the enthusiasm and excitement could hardly be contained at the InterContinental Hotel during the 9th Annual Spirit of Spring Luncheon & Fashion Show. This year's event honored Tootsies for their outstanding loyalty and contributions to The Children's Assessment Center and the Houston community for over three decades. Event chairs extraordinaires Ericka Bagwell and Ursaline Hamilton contributed countless hours of hard work and creative energy to produce this hot spring fashion event with a twist of vintage chic decor. The celebration began with a reception toasting friends with bottomless glasses of champagne and wine while enjoying the beautiful flamenco guitar melodies of Jándo. Auction chairs Tiffani Miller and Megan Sutton-Reed worked hard to ensure that guests had an amazing array of raffle and silent auction items to bid on. Once again, the Swag Bags were hot, selling out within thirty minutes. The exquisitely decorated foyer was adorned with vintage clothes and photographs of Mickey Rosmarin and Tootsies' Friends celebrating over 30 years of fashion. Many exceptional volunteers dedicated their time and resources to ensure the success of this event including, Decoration Chairs Kimberly Delape and Yvonne Stern, Luncheon Chair Debbie Festari, Swag Bag Chairs Denise Hazen and Traci Lee, and Invitation Chair Lindsey Love.

Channel 11's, Deborah Duncan kept the crowd on their toes with her charm and wit in dual roles as auctioneer and Mistress of Ceremonies. The CAC Board President and CW39's Yolanda Green also pulled double duty as a celebrity model on the Spirit of Spring catwalk. Guest speaker Special Agent Vanessa Walther of the Federal Bureau of Investigation reminded the audience that April is Child Abuse Prevention Month and spoke about the importance of internet safety, child trafficking and protecting our children from predators. The beloved Mickey Rosmarin was surrounded by his loyal friends who were seated among the 600 guests including internationally renowned fashion designer Andrew Gn.

Fashion producer Lenny Matuszewski's innovative show roused feelings of nostalgia beginning with Becca Cason Thrash's poignant video tribute to Mickey. As retro music filled the room, professional models captured the audience's attention as they strutted down the runway in styles representing three decades of fashions from Tootsies. The combined star power of Houston's very own celebrities along with Friends of Tootsies models took the show up another octave. Models boasted designer threads from Tootsies and Lucho while supporters of The Children's Assessment Center cheered on local celebrities including: Channel 13's Bob Allen, Llona Carson, Gina Gaston, Tom Koch, and Dave Ward, CW39's Mia Gradney, Channel 2's Roseann Rogers, Channel

Luncheon & Fashion Show

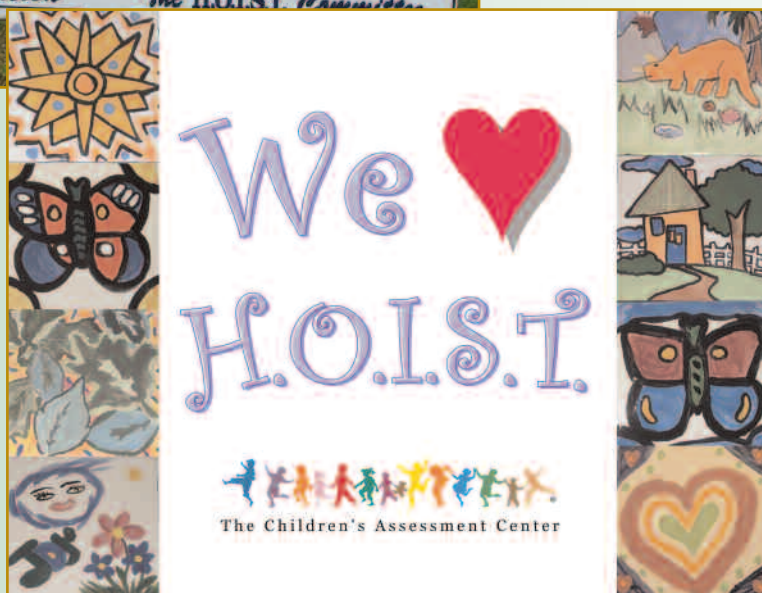

26's Melinda Spalding, Houston Texans Kris Brown and Houston Modern Luxury's Jeff Gremillion. Friends of Tootsies models strutted the runway in a very special and surprise tribute to their friend and honoree Mickey Rosmarin. These fashionable ladies of Houston included: Annie Amante, Mary Beth Aspromonte, Lolly Becker, Katie Cullen, Liz Decker, Patsy Forticq, Frann Litchenstein, Laura Sweeney and Holly Waltrip.

The after party continued at Tootsies, where the ladies shopped, sipped on champagne, and fawned over Mickey, fashion show producer Lenny Matuszewski and senior fashion stylist Tamara Bonar for a magnificent show. It was a perfect ending to the fashion extravaganza.

Our heartfelt appreciation and gratitude to our generous underwriter Leslie L. Alexander and the Houston Rockets and to all our wonderful sponsors including The Bagwell Foundation, Alicia Smith/ Innovative Legal Solutions, Houston Magazine, Continental Airlines, Jana & Richard Fant, Mary Gracely, Ursaline & Darryl Hamilton, Susan & Larry Kellner, Dawn Erickson & Harry Leatherwood, Lucinda Loya, Kelley Lubanko, Momentum Jaguar, Elizabeth & Gary Petersen, Megan Sutton-Reed & Chris Reed, Cari & Mark Ross, and to numerous other generous sponsors who made this such an amazing event. See you next year!

2008 Houston Oilman's Invitational Shooting Tournament (H.O.I.S.T.)

The 12th Annual Houston Oilman's Invitational Shooting Tournament was a record-breaking event. This year's donation to The Children's Assessment Center of \$60,000 brought H.O.I.S.T.'s total contributions to over \$525,000! In addition to surpassing the half million dollar mark this year, Lauren and Joe Byars reaffirmed their commitment to raise \$1 million to support the children and families receiving services at The Children's Assessment Center. To top off the event, the host committee donated two large flat screen TV's to The CAC to enhance our programs and services.

H.O.I.S.T., Houston's premier oilfield shooting tournament opened bright and early on Friday, May 16th for practice and the main event followed on Saturday, May 17th. Two fantastic, cool sunny days at Westside Shooting Grounds, delicious food provided by Halliburton, Pride International, Patterson Services, and

Performance Energy made this year's shoot one to remember for the 400 participants engaged in the petroleum industry.

Our sincerest appreciation to all the sponsors and especially to Lauren and Joe Byars, the founding leaders behind the tournament, to the H.O.I.S.T. board of directors and host committee for their hard work, dedication, and commitment to improving the lives of sexually abused children in our community.
